DECEMBER MEETING UPDATE

We will be going over the final preparations for the Rulon Gardner clinic to be held on Sunday December 12 at Elizabethtown College. If you have not mentioned this to your Senior & Junior high coaches please do so. This is an event for all age groups to participate in.

We will have Joe Howe with us at the December 5 meeting. Joe is a PIAA official and will discuss the changes in officiating for the coming year. We will also go over insurance concerns for wrestling programs.

We would like to thank Hank Walker from Lancaster Sports Section for his presentation at our November meeting. The Lancaster Sports Section not only has a picture day program for wrestlers but also will do action photography at tournaments. Hank can be reached at tsswalker@aol.com or by phone 717-898-8906 with any questions you may have.

We would like to thank Tike Albright for his presentation and concerns for youth wrestling. Tike is willing to put together a coach's clinic through USA Wrestling. Tike can be reached at tike@ptd.net or by phone 717-226-4602.

Please remember that a completed registration is needed along with your teams registration money. Please see that these are turned into either Deb Reynolds or Mike Greiner. The registration form can be found on the SCPYWO website.

PRESIDENT'S MESSAGE

To all SCPYWO members,

First of all I would like to thank the members who attended our pre-season meetings. Your input, help with issues and information is greatly appreciated. For the members that missed our pre-season meetings, you missed some very productive and informative meetings. Hopefully you'll read your newsletters to keep up with what changes were made, what functions and events are planned and the direction we intend to pursue.

I encourage all members that did not fill-out and turn-in the required registration form and dues to do so ASAP. Passwords to enter team rosters and enter tournament information and enter wrestlers in tournaments will only be available after this is complete. Also, without your information other clubs don't know who to contact for scrimmages, duals or anything. If for any reason you can't get this done please contact any board member and we will do all we can to help you. Either way, it needs to be done. Don't forget to promote the Rulon Gardner event to the best of your abilities. This will be an event that all attendees will remember for a lifetime. Let's share it with as many as possible. Our kids are young and have a long life ahead of them, let's help fill that time with some lasting memories.

Please bring your club fundraising ideas with you to the December Meeting which I know you will all be attending. Again, if you as a Head coach can't attend, Make sure you send another coach or parent or even a friend that can relay the information back to you. Hey, check this out, they can even bring your registration form and dues and turn it in for you. How great is that!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! Just remember I'm not busting your chops for fun. What you miss is what the kids miss. SCPYWO has much more than tournaments to offer our kids and we want to share this with all of our members.

Thanksgiving is upon us and as President of SCPYWO, a coach, and a father I will be giving thanks for being part of a group of dedicated people, eager and hopeful parents, and the hardest working and friendly bunch of kids I ever met. May everyone have the greatest Thanksgiving ever and I'll see you at the December meeting.
