## NOVEMBER MEETING UPDATE

2000 Olympic gold medalist and 2004 Olympic bronze medalist Rulon Gardner will be our guest on December 12.

Rulon Gardner will be our special guest at Thompson Gymnasium at Elizabethtown College. There are two clinics planned for the day. The first clinic starts at 2:00pm and the second at 4:15pm. Each clinic will include instruction time on the mat with Rulon and photo and autograph opportunities. Admission is \$1 for students, \$2 for adults and \$10 for wrestlers participating on the mat. A special thanks goes out to John & Debbie Reynolds and Jeff Bowyer for putting this clinic together for SCPYWO.

At the November SCPYWO meeting we will have Tike Albright and Harry Walker as special guests. Tike will go over the computer software program that he has to help tournament directors with bracketing their tournaments. This software can be used with downloading wrestlers off of the SCPYWO website. Harry Walker is a photographer who will talk about his company, The Sports Section. Harry will go over the products they have to offer for your team and individual picture needs.
